

Dear Vendor:

It's time to begin our vendor selection for the **2018 Washington Summer Festival** on the beautiful Washington waterfront (vendors are lined up along Stewart Parkway). Please get your application in early as space is limited.

The dates for the 2018 Summer Festival are June 8<sup>th</sup> and 9<sup>th</sup>. Summer Festival hours will be from 5pm-10pm on Friday, June 8th and 10am-8:00pm on Saturday, June 9th. We will have fireworks on Friday night. We continually add to our festival each year in order to increase our attendance and make our festival even better. We continue to add to the festival each year with events including sailboat rides by the Little Washington Sailing School on Saturday as well as some other activities on the Chamber deck during the day to attract more people.

In the past we have had issues with people wanting to drive their cars in and out of the festival once it has started and wanting to leave before the festival was over. Please note that this year there will be absolutely no exceptions. If you do not arrive during the hours for setup you will not be able to drive your car down Stewart Parkway or even in the parking lots to set up. You also will not be able to leave the festival early and drive your car out of one of the parking lots. If you think you will need to leave for any reason you need to park outside of the Summer Festival Parking area. This is for the safety of the people attending the festival and is a police department rule.

There were some changes in 2009 which will affect our Food Vendors who cook under Tents. As the State Regulations have changed, our space for Tent Food Vendors has changed. Please see the Washington Fire Department Regulation information attached. If you have further questions, please give us a call. Our selection for Tent Food Vendors will be limited. A Price List for all items must be posted outside of each Food Vendor booth (no exceptions). A price list must also be attached to your application. We need a detailed menu of everything you will be selling. You may be asked to take some items off your menu in order to be accepted into the festival.

**This year we will be communicating with our vendors mainly through email so make sure to include an email address that you check regularly.**

Looking forward to hearing from you soon.
