

Summer Festival's 35th Year Sponsorship Package

WHAT'S OUR WHAT , WHEN & WHERE?

It's the Washington Summer Festival on June 8th and 9th on the Washington Waterfront. This event has a 35 year history and is free and open to the public.

WHAT'S OUR WHY?

The Chamber has held the Summer Festival since 1983 as its major fundraiser. It now accounts for 50% of the budget for the Washington-Beaufort County Chamber for the year. It is our major fundraiser and how we keep our doors open to do what we do. When you support the Summer Festival you are supporting the Chamber and what we do on a daily basis. We couldn't do any of it without you.

WHAT'S OUR WHO?

Our who is everyone. We strive to have a festival that has something for everyone. We have The Embers Friday night, fireworks, local nonprofit food vendors raising money for their cause, rides, a band on Saturday night and more. We provide free entertainment for families in our community. It truly is a community-wide event. It's a community festival committed to providing a variety of family-centered activities held downtown and around town. This is done to entertain, promote new business, enhance a positive community image, attract visitors, share the cultural and recreational opportunities of our community, promote the education of our rich history and foster civic pride. Our goal is to provide "Something for Everyone."

WHAT DO YOU GET FOR YOUR SUPPORT?

As a premier event in Eastern NC, the Washington Summer Festival continues to maintain a strong media profile. The festival maintains an excellent relationship with local media including WITN TV 7, the Washington Daily News, and The Bridge 98.3. A comprehensive event schedule is produced and distributed throughout the community via local media sources like the Washington Daily News and placed in public areas throughout NC as well as through many social media venues. Press releases are issued to print and broadcast media sources locally and in surrounding areas. Live interviews are performed by the staff and committee. TV coverage will be provided during the festival and an event schedule will be distributed throughout Beaufort County. Several websites will have the schedule of events including the Chamber's website that receives the most hits in June. WITN TV 7 has agreed to be a major media sponsor again this year and will put together a commercial with Wave level and up sponsors as well as provide advertising on their website and WITN 7.2. The Washington Daily News has agreed to be a major media sponsor again this year and will partner with the Chamber to recognize sponsors in their paper leading up to the event. We also have banners up during the event with sponsor logos.
