

# Community Trivia Bee 2018

## HOW IT WORKS...

### TEAMS

- All teams must represent a local school or local nonprofit. Business teams that participate must identify a school or nonprofit they are representing on the registration form. If a business team wins, the school/nonprofit they are representing will receive the prize money.
- Teams will be made up of 3 adult players.
- The “Margaret Mallard” Spirit Award will be given out to the team who shows the most creativity with their team name and attire for the night.
- Each team will be assigned a judge who keeps up with how many points they get in each round.

### ROUNDS 1-3

- There will be 3 preliminary rounds, each round will have 10 questions.
- All teams will participate in the 3 preliminary rounds.
- Each correct question is worth 1 point.
- Teams can purchase “answer” passes for \$20 and use them in Rounds 1 & 2.
- No answer passes can be used in Round 3.
- The 4 teams with the most total points at the end of Round 3 will advance to the Final Round.

### FINAL ROUND

- Each team in the Final Round starts with zero points. No points are carried over from Rounds 1-3.
- The Final Round will consist of 10 questions.
- No answer passes can be used in this round.
- The team with the most points at the end of the Final Round will win the Trivia Bee.
- If there is a tie at the end of the Final Round, a sudden death tie breaker round will determine the winner.

### WRAP UP
